DETAILED ACTION

Allowable Subject Matter

1. Claims 1-32 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: an electronic unit of a radio system which comprises a mechanical part, a circuit board attached to the mechanical part and an electronic component connected to the circuit board, wherein: the mechanical part comprises a cavity in which the electronic component is mounted; the circuit board is placed on top of the electronic component and the mechanical part; the electronic unit comprises electric coupling members, which are used for aligning the electronic component and the circuit board with respect to each other; the electronic component comprises electric connecting means, which are electrically connected to electric connecting means included in the circuit board using the electric coupling members included in the electronic unit; the electronic component and the circuit board are attached to each other and to the mechanical part so that the electronic component is in contact with the mechanical part.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
